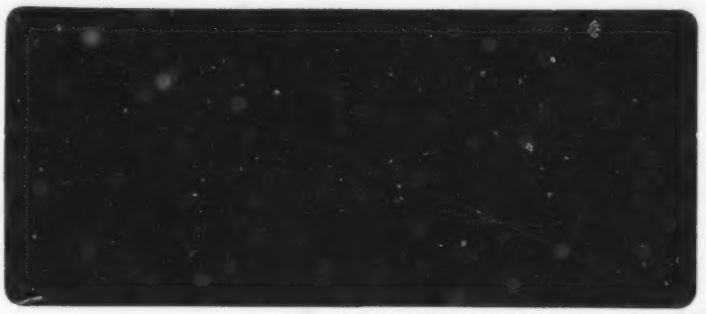
CONSEIL CANADIEN DE DÉVELOPPEMENT SOCIAL

THE CANADIAN COUNCIL ON SOCIAL DEVELOPMENT

Founded in 1920, the Canadian Council on Social Development (CCSD) is an independent, national, non-profit organization. Through research, policy analysis, community consultation and information sharing, the CCSD provides a forum for citizen participation in the formulation of progressive social policies.

The CCSD is the only national organization whose mandate and involvement embrace all aspects of social development and social policy. Since its beginning, the Council has been actively involved in the evaluation of existing programs, the identification of essential improvements, and the promotion of needed developments. It has been a positive, non-partisan advocate of social measures such as universal inoculation, pensions, unemployment assistance, worker's compensation, medicare, legal aid, daycare, and social and cooperative housing. The Council played an active role in the development of the Canada Assistance Plan and the Child Tax Credit, and has been a promoter of the Guaranteed Annual Income concept, self-help, voluntarism and community economic development.



The CCSD is not a "think tank". It **is** the only national social research, advocacy and policy organization with an open public membership. CCSD's analyses, opinions, research and information reflect not only highly professional technical work but also the active analysis and shared experience of its broadly representative membership.

The Council's diverse membership includes concerned individuals as well as representatives from business, labour, government, public and private service organizations, voluntary associations and institutions. An annual meeting of the membership reviews the year's program and financial activities. Council activities are directed by a voluntary, 39-member Board of Governors. Board members are formally elected at the annual meeting for terms of one, two and three years.

The CCSD is a major publisher in the field of social development. Publications include books, research reports, policy briefs and occasional papers, as well as four bilingual periodical publications: **Perception**, Canada's social development magazine; and three quarterly national newsletters — **Overview**, reviewing current developments in social policies and programs; **Initiative**, serving the self-help community; and **Vis-à-vis**, exploring family violence issues.

National headquarters of the CCSD are located at 55 Parkdale Avenue, Ottawa, Ontario, K1Y 4G1. Tel: (613) 728-1865; FAX: (613) 728-9387. CCSD also has a Quebec office, located at 1074 Berri St., Montreal, Quebec, H2L 4X2. Tel: (514) 288-1687; FAX: (514) 288-6723. Membership information is provided on the inside back cover.

LE CONSEIL CANADIEN DE DÉVELOPPEMENT SOCIAL

Fondé en 1920, le CCDS est un organisme national indépendant à but non lucratif. Le Conseil encourage les citoyens à participer à l'élaboration de politiques sociales progressistes par des recherches indépendantes, des analyses de politiques, des consultations communautaires et la diffusion d'information.

Le CCDS est le seul organisme national dont le mandat et le secteur d'activités recouvrent tous les aspects du développement et de la politique à caractère social. Depuis ses débuts, le Conseil participe activement à l'évaluation des programmes actuels, à l'identification des améliorations nécessaires et à la promotion des solutions indispensables. Il s'est fait le porte-parole positif et non partisan de mesures sociales telles que les vaccins universels, les pensions, l'aide aux chômeurs, l'indemnisation des accidentés du travail, l'assurance-santé, l'aide juridique, les garderies, ainsi que le logement social et coopératif. Le Conseil a participé activement à l'élaboration du Régime d'assistance publique du Canada et du crédit d'impôt pour enfants; il a de plus appuyé les concepts du revenu annuel garanti, de l'entraide, du bénévolat et du développement des ressources communautaires.

Le CCDS est le seul organisme national de recherche, de politiques sociales et de représentation qui recrute ses membres parmi le public. L'information, les analyses, opinions et recherches produites par le Conseil découlent non seulement d'un travail technique hautement professionnel mais aussi de la réflexion et de l'expérience de membres qui représentent tous les intérêts promus par le Conseil.

Le CCDS compte des personnes intéressées et des représentants d'entreprises, de syndicats, de gouvernements, d'établissements, d'associations bénévoles, ainsi que d'organismes publics et privés offrant des services. Les membres du Conseil se réunissent chaque année afin d'examiner le programme et les activités financières du CCDS. Un bureau des gouverneurs composé de 39 membres bénévoles dirige les activités du Conseil. Les gouverneurs sont élus officiellement lors de la réunion annuelle pour un mandat d'un, deux ou trois ans.

Principal éditeur dans le secteur du développement social, le CCDS publie notamment des livres, des comptes rendus de recherches, des mémoires de politiques, des documents de réflexion, de même que quatre périodiques bilingues: **Perception**, magazine canadien sur le développement social; et trois bulletins nationaux trimestriels: **Perspectives**, sur l'actualité sociale nationale; **Initiative**, sur les groupes d'entraide et **Vis-à-vis**, sur la violence familiale.

Le siège social du CCDS est situé au 55, av. Parkdale, Ottawa (Ontario) K1Y 4G1. Tél: (613) 728-1865; Télécopieur: (613) 728-9387. Le CCDS a aussi un bureau du Québec à Montréal, situé au 1074, rue Berri, Montréal (Québec) H2L 4X2. Tél: (514) 288-1687; Télécopieur: (514) 288-6723.
